MEMORANDUM

*Paul Helmke, Mayor*

TO: Members of the City Council

FROM: Greg Purcell, Chief of Staff

DATE: December 4, 1995

SUBJECT: Amendment to 1996 Salary Ordinance - Add Strategic Planner

*S-95-12-09*

In the past, the City has had a position of Strategic Planner to address major policy development issues and analyze long term trends. We currently have a number of critical issues facing the community that we believe warrant the addition of a Strategic Planner position. These issues include: major utility infrastructure needs, long term growth issues, transportation systems, state legislative issues, and more. A Strategic Planner position is essential to work with various divisions and departments to integrate plans and strategy in a comprehensive framework that will enable the City to achieve the highest possible efficiency.

The attached ordinance will allow us to create the position of Strategic Planner to assist the City and Council in working on major policy issues. We recommend approval of the ordinance.
